The Distinguished Service Award
to
John Torbert

John, your many years in the great outdoors has prompted a curiosity, interest, and love of our native azaleas. You enjoy propagating and growing azaleas and sharing your knowledge and passion of azaleas with others. Under your leadership as president of the Alabamense Chapter, the members have acquired your enthusiasm. You have organized programs and outings, despite social distance restrictions of 2020-2021. You instituted a highly informative newsletter and Facebook page. A major accomplishment was the chapter's partnership with the Alabama Cooperative Extension System in creating a 4-part public webinar series, All About Azaleas, when conferences and gatherings were impossible.

Your leadership role and love of azaleas have truly advanced our organization.

Awarded this 12th day of March 2022.
