This performance deserves an **“Encore®!”**

Visit Charleston this summer and fall and be enchanted by the **nation's largest collection of Encore® Azaleas at Magnolia Plantation & Gardens**. Take in the stunning setting of America's last large-scale Romantic-style Garden, which cooperates with nature to create a tranquil landscape where humanity and nature are in harmony. This is where azaleas were first planted outside in America. Visit often, and don't miss our stunning “peak weeks”.*

**Magnolia's Azaleas are in peak bloom in late winter and early spring (dates vary each year).*
