

ASA Convention Registration Online

By Paul A. Beck, Treasurer and Webmaster

The ASA online convention registration capability was first introduced in 2019, for the 2020 convention in Houston, TX. That implementation required that you be logged in to register online. For the 2022 convention in Lafayette, LA, the system has been enhanced so that you may register without first having to login. The ASA website home page has a link to details about the convention, accompanied by a **Register Online** button.

NEW! The 2022 convention information page is now online [here](#)

Register Online

Once you click the **Register Online** button, you will be presented with the online registration page. Please read the instructions at the top of the page. If you are not logged in, you will be asked for your name and zip or postal code. This will be used to validate your ASA membership.

If you are found in our membership database, your chapter and member name(s) are shown, followed by the options for meals and optional Sunday Vermilionville tour. Make your meal selections, click the “I’m not a robot” box, and then click **Register**. If you are logged in when you register, your membership details will be presented with the option to update them. Note that registration is per individual, so if you have a joint membership, each member must be registered separately.

Finally, after clicking the **Register** button, you will be asked if you wish to pay by check, PayPal, or credit card. After finalizing the payment method you will be sent an email with your registration details. When you complete the registration, you will be transferred to a page listing all the convention attendees.

I love my customers' trees as much as they do. Maybe more.

Jose Rivas champions the trees, landscapes and property investments of the customers in his care. And he's one of the many reasons we've become the premier scientific tree and shrub care company in the world.
